Philippians 2:13 (NLT)

For God is working in you, giving you the desire and the power to do what pleases him.

Psalms 90:16–17 (NLT)

Let us, your servants, see you work again; let our children see your glory. And may the Lord our God show us his approval and make our efforts successful. Yes, make our efforts successful!

Dear Brothers, Sisters, Partners and Friends,

Since our first one week inaugural training in 2010 when the Lord inspired and worked through us to train 17 Key regional leaders in Ethiopia's capital city, Addis Ababa, right up through 2021 when He used us to train and encourage 140 leaders over 6 different locations, He continues to show us ***"his approval and make our efforts successful"*** (Ps. 90:16—17). Each year we are blessed to see Him still at work and doing His good pleasure through us. Our Father in Heaven continues to exponentially expand our vision, provide our needs and multiple the fruits of our labors.

In my 12/10/21 newsletter I reported to you how all the leaders who received training and encouragement during our 2021 tour have been praying that God might provide for me to return with more expository teachings every 6 months instead of once per year. I thank you for praying with us that God would make His will concerning this unmistakably clear. After much prayerful consideration, receiving the full support of my wife Daisy as well as my employer, I am at peace about and am planning two trips to Ethiopia in 2022.

For the first trip I am scheduled to be in Ethiopia from Friday June 10th through Monday June 27th. We plan to meet with the same leaders we worked with in November and December of 2021 in order to advance their training to the next level. We anticipate meeting with 120 plus leaders comprised at 5 different locations in the southern regions. Keep in mind that each leader will multiply the impact of these trainings by passing it on to their own group of leaders and churches. This is how we mimic Master Jesus' strategy for multiplying leaders, churches and His disciple making movement that is still alive and well today. The second trip will be planned for November/December 2022 and most likely will target new leaders at locations we have not yet been.

Last year our challenge was to increase the number of leaders trained per year from approximately 75 to 140. This year's challenge is to increase from 1 trip per year to 2 trips per year and from 140 leaders trained to 280 plus leaders trained per year. Year by year God increases the work of His hands that He accomplishes by ***"working in you, giving you the desire and the power to do what pleases him"*** (Phi. 2:13).

T.M.M.I. is NOT a parachurch organization. T.M.M.I. is the local church from various locations united together as one body of believers unified in one common mission. T.M.M.I. would not be T.M.M.I. without each of you/us who are individual members of the one body. Together we obediently serve our God and His mission. T.M.M.I. is a non-profit ministry which is staffed and prayed for by volunteers and funded by donating partners such as yourself.

Your/our donations are used to sponsor indigenous church leaders/disciple maker's travel, food and lodging costs. Thank you for your ongoing financial and prayer support. These indigenous church leaders could not participate without your generous donations. Just 65 USD will provide transportation, meals and housing to enable a church leader to receive sound biblical training that will enhance their efforts in implementing powerful Christ-like disciple making movements in their respective regions in Ethiopia and beyond. When you financially and prayerfully support this ministry, you make an eternal investment in the Kingdom of God.

If you desire to give your financial support, there is a donate button on our web page, or checks may be sent and made payable to The Master's Mission International, 11120 Lost Creek Terrace, Apt. 209, Bradenton, FL 34211.
