The Master's Mission International

Developers of International Disciple-making Movement Leaders
115 Silver Street, Waterville, Maine 04901

Greetings from Debre Zeit/Bishoftu Ethiopia,

Pictured below are the fourteen church leaders who have now met with me for the fifth time in three years.

On Monday 10/21 and Tuesday 10/22 we participated together in an Exegetical Bible Study entitled: *What is Church—A Biblical Ecclesiology*. As always, our study is conducted in a mentored learning atmosphere which is highly interactive. The Holy Spirit was faithful to bring a fresh and deeper understanding of familiar passages in regards to the true nature of the church that Jesus is continuing to build, nourish and sustain. These training /fellowship events continue to transform the lives and ministry practices of all who participate. In the bigger picture, they have a much larger impact on the church and disciple-making movements throughout the whole of Ethiopia and beyond as these leaders duplicate them over and over again in various settings.

Debre Zeit/Bishoftu Study Group Fellowship

Tomorrow, Wednesday 10/23 I will travel 25 miles (approximately one hour by car) to Adama where we will conduct the second training of this tour on Thursday 10/24 and Friday 10/25. This group will engage in their third-round training entitled: *The Master's Plan—Disciple Multiplication and Servant Leader Development*. I remind you that the annotated outlines for all of our trainings can be found at <https://www.themastersmissioninternational.org/training-notes>.

May God bless you all for your faithful prayers, partnership, support and encouragement in ministry.

Sincerely Yours,

Rev. Paul L. Parker
