Greetings Dear Ministry Partners,

I pray and trust that you all are having a blessed Christmas season. Daisy and I have been enjoying wonderful fellowship events with family and friends. I am overjoyed to share with you **the latest and very exciting movement of God's hand within TMMI**. Just recently the Lord laid down His foundation stones for the next level of growth and expansion of work through TMMI. In the same way that the Father revealed successors for Jesus' ministry, He has of late revealed to us **five servant leaders** through whom He will expand and maintain the ministry of TMMI into the future. **On December 12/24/2024 the TMMI Ethiopian Leadership Team was officially appointed and commissioned from out of the harvest into a greater harvest.**

- **Mark 3:13-15 (ESV)**

And he went up on the mountain and called to him those whom he desired, and they came to him. And he appointed twelve (whom he also named apostles) so that they might be with him and he might send them out to preach and have authority to cast out demons.

Please join me in praising God for all that He accomplished through TMMI in 2024 and look forward with prayerful anticipation to how He will continue His work through us into 2025 and beyond.

Looking back on 2024:

- In April and October, the Lord provided for and blessed very successful ministry trips to Ethiopia. In each trip we continued our progressive training/fellowship gatherings with seven groups at six separate venues. Brief reports of each can be accessed @ <https://www.themastersmissioninternational.org/archived-letters> by their respective dates.
- In December, the TMMI Ethiopian Leadership Team (ELT) was appointed and commissioned.
- Throughout the year unknown numbers have been ministered to through those to whom we have ministered.
- Here in the U.S., we engage in a biweekly online Fellowship Community which is reaching out to their own family, friends, neighbors and co-workers.

Looking forward to 2025:

- January 12th Chico will commence weekly online Training/Mentoring with pastors and missionaries in Kenya.
- April and October return mission trips to Ethiopia.
- Continue biweekly online Fellowship Communities in the U.S.
- **Praying and planning to establish two new groups:**
 1. Asossa: the capital city of the Benishangul Gumuz Region, boarded with South Sudan.
 2. Gambella: the capital city of Gambella Region, boarded with Sudan.

Please join us as we praise God for the following:

- Providing for the needs of this ministry through the faithful support team that all of you continue to be.
- His miraculous discipleship movement that continues to increase to the outskirts of Ethiopia and beyond.
- Exponential leadership reproduction through practicing "The Masters Plan."

Please join us as we Pray that God will:

- **Establish new groups in Asossa and Gambella in Ethiopia on the borders of Sudan.**
- Continue to provide for & protect all who make up TMMI & all to whom we minister at home & abroad.
- Continue His ever-expanding disciple making movement in the U.S., Ethiopia and beyond.
- Provide wisdom -, discernment and provision to the TMMI Ethiopian Leadership Team (ELT).

Thank you for your continued prayer and financial support that makes this all possible. Please contact me if you would like to receive an end of year giving statement.
