Developers of International Disciple-making Movement Leaders
115 Silver Street, Waterville, Maine 04901

Dear Ministry Partners,

As the month of September fast approaches, some VISA applications and are in process, hotel reservations secured and the international flights are pre-arranged for the upcoming ministry trip to Ethiopia, Kenya and Tanzania. Though communications in regard to the work in Kenya and Tanzania has been lacking, we remain optimistic and anxious that God's resolve will prevail and our original plans will proceed unhindered.

Ethiopian Baptism Update:

- Despite fuel shortages and transportation issues that interrupted the original plan to baptize approximately 1250 new believers in end of April, 400 were baptized in Adama in early May and another 740 more in Debrezeit in early June as God provided 24 large busses and 8 vans to meet the transportation needs!
 - NOTE: Both of these locations are regions where we have been developing leaders and doing trainings for the past many years. And the need seems to continue to increase!!! Praise Jesus. We continue to witness that where there is a need, the Lord is faithful and mighty to provide His Way (**John 14:6**).

Please join us as we Praise God for:

- Recently rescuing so many from witchcraft and Islam in Ethiopia.
- His miraculous discipleship movement that continues to increase to the outskirts of Ethiopia and beyond.
- Exponential leadership reproduction through:
 - Proclaiming the Kingdom Gospel in accordance with the Scriptures,
 - Displaying the Kingdom Life by living in obedience to Jesus.
 - And by practicing The Masters Plan for disciple and servant leader multiplication.
- Providing such a faithful support team that all of you continue to be.
- Recently blessing TMMI with some additional prayer and financial partners.
- Providing an opportunity to begin multiplying this ministry in Kenya and Tanzania next September.

Please join us as we Pray that God:

- Will provide the needed communication, VISA's, timing and appropriate venues for His new work through TMMI in Kenya and Tanzania.
- Will provide every new baptized follower in Ethiopia with a fellow disciple, mentor and life-long encourager.
- Continues to affirm, bless and grow His local house-church network in Southern Maine.
- Will have His way in the hearts of all those He intends us to minister to, here at home, in Ethiopia, Kenya, Tanzania and beyond, as He wills and leads.
- Will continue to bless and provide as He directs us, TMMI, to go and grow!
- Would continue to provide for us, many more like-minded prayer and financial partners as He continues to open more and more doors of opportunity in and beyond Ethiopia.

Remembering Who TMMI is:

Each and every person who has/does support, prayerfully and/or financially, God's work through TMMI is "one member among the many which make up the one body" that we call TMMI. I thank God that in His infinite wisdom and compassionate grace He has chosen **us** as His missionaries to Ethiopia and beyond.
