Dear partners in the Africa Missions,

I have arrived safely in Addis-Ababa. I have set up base camp at the Blue Nest Hotel and the first training will be here at the Emmanuel Bible College due to having to cancel the training in Shashamane because of civil unrest there for the 2nd year in a row. I will be meeting with various leaders for the next few days. Please continue to pray that God's perfect will and plan will continue to unfold here.

Blessings,

Reverend Paul L. Parker
