

02/28/17

Dear Brother Emmanuel,

Please tell me how you and your wife and child are doing. When I was last in Kenya, you and your family had just been victimized by intruders in your home. I pray all is now well with you all. My family & church are very well in the Lord. We remain well blessed.

Though it is still early, I have begun making plans to return to Nairobi for a week and then on to be with Samson in Ethiopia for a week. I will inform you of my itinerary in Kenya and ask you and Aila to prayerfully suggest how to best use my time while in country.

I am currently scheduled to arrive in Nairobi at 1:10PM on Saturday 11/04/17. I have a room already booked at the Fahari Hotel for 7 nights. I will depart Nairobi at 7:15PM on Saturday 11/11/17 on route to Addis-Ababa Ethiopia.

Pastor Peter has asked me to bring a message to the church on the training center grounds on Sunday 11/05/17. I am then available to teach in the training center from Sunday afternoon or Monday morning through Wednesday, Thursday or whatever best fits your plans.

Mohamad had asked me about visiting his DBS groups in a nearby village (Thursday/Friday?) I will leave that up to yours and Aila's discretion. I hope to keep Saturday 11/11/17 open for some recreation, before going to Airport.

Let me know what you think.

Blessings,

Your bro, Chico
