The Master's Mission International

Developers of International Disciple-making Movement Leaders
115 Silver Street, Waterville, Maine 04901

Greetings from Adama Ethiopia,

Pictured below are the fourteen young adult ministry leaders that we have gathered together from several local churches in Adama who have now met with me for the third time in a year and a half. On Thursday 10/24 and Friday 10/25 these next generation influencers enthusiastically immersed themselves in their third-round training entitled: *The Master's Plan—Disciple Multiplication and Servant Leader Development*. I am very excited and blessed to be involved with these next generation church/disciple-making movement leaders. I'd like to remind you again that the annotated outlines for all of our trainings can be found at <https://www.themastersmissioninternational.org/training-notes>.

May God bless you all for your faithful prayers, partnership, support and encouragement in ministry.
