The Master's Mission International
Developers of International Disciple-making Movement Leaders
115 Silver Street, Waterville, Maine 04901

Hello from Waterville, Maine U.S.A., where Daisy and I currently call home, work and enjoy Gods bountiful grace and mercies.

Waterville is a vibrant city with a small-town feel settled on the west banks of the Kennebec River with an approximate population of 16,000 souls.

After landing at Logan Airport in Boston MA by 8:00 pm on Saturday (04/27) Daisy and I stayed at a local Hotel where I suffered severely with nausea, body aches, jet-lag and sheer exhaustion through Monday noon-time. Praise God my loving wife was there to care for me. We took the three-hour drive home Monday afternoon where I stayed on Tuesday and recuperated while Daisy returned to her job. By Wednesday I was back to work and feeling like a new-man! Thank you, Jesus!

The mission was an absolute success! We trained six groups of disciple-making movement leaders, approximately 120 students, in five cities through-out the country. This included several local flights and some long road travel, a little tiring however, life and ministry transformation occurred for all who were involved. The presence of the Holy-Spirit was powerfully undeniable! These students, their churches and families send love and gratitude for your prayers and financial support that make this all possible for them. Allow me to share just one testimony out of the many we have received:

"We praise God for the grace and the strength that He has granted to Papa Chico to minister to our leaders in the past weeks here in Ethiopia. Our leaders have been equipped, empowered and challenged by the truth of the scriptures. And I believe that their lives and ministries will never be the same again. Thank you, thank you and thank you!!!"

—Pastor Samson Welde Mariam, Vice President EUC.

May God bless you all for your faithful prayers, partnership, support and encouragement in ministry.

Grace and peace,
Rev. Paul L. Parker
